## **Program Guidelines**

### Selection of Equipment guidelines (Section B on application):

- 1). You may check only one box in Part 1. If your selection does not match one of those categories, check the box marked AOther@ and please specify your selection. Remember, only **specialized telephone equipment** can be selected. In other words it must be related to the use of the telephone and specially designed for deaf, hard of hearing, visual and hearing or speech disabilities.
- 2.) You may check only one box in Part 2. This part allows you to select a signaling device. You may choose either a visual, audible or tactile ring (vibrating) signaler. For visual ring signalers, a maximum of only 2 addditional remote receivers are allowed.

### Eligibility guidelines (Section C on application):

- 1). You must have a hearing, visual and hearing, visual or speech disability which prevents you from using the phone effectively;
- 2). You must be three years of age or older, and can demonstrate the ability to use the equipment;
- 3). You have phone service or have applied for phone service in the state of Nebraska at your place of primary residence;
- 4). You are a current resident of the state of Nebraska;
- 5). Only one person per household may be a recipient of the telecommunications equipment;
- 6). A recipient of equipment may not reapply for assistance more than once every five years.
