

CapTel® 2400i

With Bluetooth® Connectivity
& Speakerphone

CapTel®
Captioned Telephone

Powerful New Speakerphone!

SEE WHAT EVERYONE'S TALKING ABOUT!

Telephone calls can be challenging for people with hearing loss. The CapTel 2400i makes it easy to enjoy phone conversations, confident you'll catch every word.

See everything a caller says — no more guessing.

- Shows word-for-word captions during your calls
- Large easy touch-screen display
- Powerful amplification — up to 40dB gain
- Provides both Auto or Assisted captions - your choice!
- Enhanced speakerphone and Bluetooth® connectivity for hands-free calls

CapTel® 2400i Captioned Telephone

CapTel 2400i shows you word-for-word captions of everything a caller says. No more guessing, no more frustration. Can't quite hear what they say? Read the captions!

Large, colorful touchscreen display with easy to follow menu.

Built in answering machine records voice and captions of your messages.

Standard telephone keypad buttons for familiar, comfortable dialing.

Powerful amplification (up to 40dB gain) increases volume over handset and speakerphone. Hearing aid compatible.

TIA-4953 Approved
