

CapTel®
Captioned Telephone

CapTel® 840

For Federal Relay Users

Ideal for people with some degree of hearing loss, the CapTel works like any other telephone with one important addition: it displays captions of every word the caller says. CapTel users can listen to the caller, and can also read the written captions for added clarity. Perfect for anyone who has difficulty hearing over the phone. **Give CapTel 840 a try!**

Benefits

- Extra large, easy-to-read captions window with adjustable font sizes and colors.
- Built-in Answering Machine shows you captions of your voice messages.
- Display screen tilts for comfortable reading or lies flat to mount the phone on a wall.
- Adjustable volume control (up to 40dB gain) for captioned calls. Volume button is easy to see and adjust during a call.
- One-touch access to CapTel Customer Service (speed dial button automatically connects you to CapTel help line). Available 24 hours a day/7 days a week.
- Easy-to-follow menu system with Yes/No questions.
- Phone Book allows you to store and dial more than 95 names/phone numbers.
- Speed dial keys for one-touch dialing of frequently called numbers.
- Caller-ID capable - shows you who is calling directly on display screen (requires Caller-ID service).
- Spanish-to-Spanish captioning available, with Spanish-language menus.

With Built-In
Answering
Machine!

Optional Capabilities

- **2-Line Mode Option:** Lets callers dial your telephone number directly instead of calling through the Captioning Service. This optional method of using CapTel requires a second telephone line (Line 2 must be analog or DSL with filter).
