

CapTel®
Captioned Telephone

CapTel® 840i

For Federal Relay Users

Ideal for people with some degree of hearing loss, the CapTel works like any other telephone with one important addition: it displays captions of every word the caller says. CapTel users can listen to the caller, and can also read the written captions for added clarity. Perfect for anyone who has difficulty hearing over the phone. **Give CapTel 840i a try!**

Benefits

- Extra large, high-resolution 7" captions window with adjustable font sizes and colors.
- Built-in Answering Machine shows you captions of your voice messages.
- Adjustable volume control (up to 40dB gain) for captioned calls.
- One-touch access to CapTel Help Line - 24 hours a day, 7 days a week (dedicated button automatically connects you to Customer Service).
- Easy-to-follow menu system with Yes/No questions.
- Phone Book allows you to easily store and dial more than 95 names/numbers.
- Speed dial keys for one-touch dialing of frequently called numbers.
- Caller-ID capable - shows you who is calling directly on the display.
- Spanish-to-Spanish captioning available, with Spanish-language menus.
- AES encryption for optimal security & privacy.
- WiFi compatible for use anywhere in range of your wireless network.
